OBJECTIVE

Fresher Software Engineer with hands-on experience in **JavaScript, React.js, HTML & CSS** focused on building responsive and user-friendly web applications. Familiar with REST APIs integration, frontend development and modern web technologies, with a strong foundation in problem-solving and data structures. Eager to learn, improve technical skills and contribute to software development projects.

SKILLS

Technical Skills: HTML5, CSS3, JavaScript, Bootstrap, React.js, MongoDB (NoSQL), Express.js, Node.js

Concepts & Development Tools: OOP, Foundation in Data Structures & Algorithm, VS Code, Git & GitHub.

Soft Skills: Strong Analytical and Problem-Solving, Quick Learning, Communication and Team-player.

EDUCATION

Osmania University **2023 – 2025**
MCA *(CGPA: 7.35)* Hyderabad, India

Osmania University **2018 – 2021**
B.Sc *(CGPA: 8.96)* Hyderabad, India

Omega Junior College - TSBIE **2016 – 2018**
12th - M.P.C *(Percentage: 77%)* Hyderabad, India

INTERNSHIP EXPERIENCE

Software Intern | Purview Services **Sep 2026 – Oct 2026**

- Contributed to **BeeRef**, an AI-powered recruitment and employee referral platform designed to simplify recruitment workflows and employee referrals.
- Designed and developed responsive landing pages, login and signup interfaces, and project-specific dashboards, building reusable React components and interactive UI elements using **React.js, JavaScript and Bootstrap.**

PROJECTS

FakeStore Shopping API [Link]

- Built a responsive product catalog by integrating the FakeStore API using **React.js**, implementing category filtering and add-to-cart functionality to improve browsing experience.
- Designed a responsive UI with **HTML, CSS, Bootstrap** to provide better usability across different screen sizes

Employee Management - MERN Stack [Link]

- Designed role-based **Admin** and **Employee** dashboards using **React.js Bootstrap** with dynamic forms and interactive tables, improving records and access levels.
- Built simple backend **CRUD** routes using **Node.js** and Express.js, integrated with **MongoDB**, where both **Admin and Employees** can add/register data, but only Admins can **edit or delete** records and manage data efficiently.

CERTIFICATIONS

Front-end Web Development - IBM SkillsBuild : (Link)
HTML & CSS Certification Course – Udemy : (Link)
Microsoft Azure Fundamentals AZ-900 : (Link)

ACHIEVEMENTS

- Semifinalist (2024) with an All-India Rank of 488 in a Techgig Hackathon.
- Earned 75 Gold badges along with Silver and Bronze badges on TechGig for consistent coding performance.

OTHER LANGUAGES AND INTERESTS / HOBBIES

Languages Known: English, Hindi, Telugu, Marathi

Interests / Hobbies:

- Designing UI layouts and studying good website designs
- Building personal web development projects and Listening to music
